FUNDRAISING CHALLENGE

Help C2 Help Islands Of Brilliance with their Colors and Chords fundraiser!

Islands of Brilliance is an organization that creates art, design, and technology workshop curricula for neurodiverse students on the autism spectrum. Every year IoB holds their main fundraiser in November called Colors & Chords. This year's fundraiser is on Thursday, November 17th.

C2 participates in the C&C event by coordinating and "hosting" the Bottle Pull portion at the fundraiser. We collect (unopened) bottles of wine and spirits (value \$20+) from businesses, retailers and individuals. We need 200 (unopened) bottles of liquor and wine donated for the 2022 event in order to raise \$4000 for Islands of Brilliance.

To facilitate this, we've partnered with our friends at Great Lakes Distillery to offer you a fun bottle donation drop-off location. Bring a bottle in, or buy one there!

Join us on October 25th, any time between 4-7pm, to drop off your bottle at Great Lakes Distillery, 616 W Virginia Street in Walker's Point.

As a grateful thank you for each (non GLD) bottle donated, you get a ticket good for \$2 off any craft cocktail that evening. If you purchase a bottle at Great Lakes, you get \$3 off your purchase! Win-win!

Let's toast to Milwaukee's outstanding and generous creative and business communities!

If you can't make the bottle drop, please consider doing a cash donation at <https://c2staffing.com/colors-chords-bottle-drop/>
